Any exhibits or attachments voluntarily offered, proposed, or produced as evidence of MRIC's ability and willingness to provide more or different services not required by the RFP that are not specifically described in this Section or otherwise not included elsewhere in the Contract documents are excluded from the terms of this Contract unless subsequently added by the parties in the form of a written and executed amendment to this Contract.

1.3 Integration: This Contract, in its final composite form, shall represent the entire agreement between the parties and shall supersede all prior negotiations, representations or agreements, either written or oral, between the parties relating to the subject matter hereof. This Contract between the parties shall be independent of and have no effect on any other contracts of either party.

1.4 Amendments to this Contract: This Contract shall be modified only by the written agreement of the parties. No alteration or variation in terms and conditions of the Contract shall be valid unless made in writing and signed by the parties. Every amendment shall specify the date on which its provisions shall be effective.

Such headings or captions do not define, describe, extend, or limit the scope or intent of this Contract.

1.8 Severability: If any provision of this Contract is determined by a court of competent jurisdiction to be invalid, unenforceable, or contrary to law, such determination shall not affect the legality or validity of any other provisions. The illegal or invalid provision will be deemed stricken and deleted to the same extent and effect as if it were never incorporated into this Contract, but all other provisions will remain in full force and effect.

1.9 Inducements: In making the award of this Contract, MCHCP relies on MRIC's assurances of the following:

- MRIC, including its subcontractors, has the skills, qualifications, expertise, financial resources and experience necessary to perform the services described in the RFP, MRIC's proposal, and this Contract, in an efficient, cost-effective manner, with a high degree of quality and responsiveness, and has performed similar services for other public or private entities.
- MRIC has thoroughly reviewed, analyzed, and understood the RFP, has timely raised all questions or objections to the RFP, and has had the opportunity to review and fully understand MCHCP's current offerings and operating environment for the activities that are the subject of this Contract and the needs and requirements of MCHCP during the contract term.
- MRIC has had the opportunity to review and fully understand MCHCP's stated objectives in entering into this Contract and, based upon such review and understanding, MRIC currently has the capability to perform in accordance with the terms and conditions of this Contract.
- MRIC has also reviewed and understands the risks associated with administering services as described in the RFP.

Accordingly, on the basis of the terms and conditions of this Contract, MCHCP desires to engage MRIC to perform the services described in this Contract under the terms and conditions set forth in this Contract.

recognized by the contracted industry and comply with all codes and regulations which shall apply.

1.11 Force Majeure: Neither party will incur any liability to the other if its performance of any obligation under this Contract is prevented or delayed by causes beyond its control and without the fault or negligence of either party. If any Contract term or condition or application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, condition or application. To this end, the Contract terms and conditions are severable.

1.13 Independent Contractor: MRIC represents itself to be an independent contractor offering such services to the general public and shall not represent itself or its employees to be an employee of MCHCP. Therefore, MRIC hereby assumes all legal and financial responsibility for taxes, FICA, employee fringe benefits, worker's compensation, employee insurance, minimum wage requirements, overtime, etc. and agrees to indemnify, save, and hold MCHCP, its officers, agents, and employees, harmless from and against, any and all loss; cost (including attorney fees); and damage of any kind related to such matters. MRIC assumes sole and full responsibility for its acts and the acts of its personnel.

1.14 Relationship of the Parties: This Contract does not create a partnership, franchise, joint venture, agency, or employment relationship between the parties.

1.15 No Implied Authority: The authority delegated to MRIC by MCHCP is limited to the terms of this Contract. MCHCP is a statutorily created body corporate multi-employer group health plan and trust fund designated by the Missouri Legislature to administer health care services to eligible State of Missouri and public entity employees, and no other agency or entity may grant MRIC any authority related to this Contract except as authorized in writing by MCHCP. MRIC may not rely upon implied authority, and specifically is not delegated authority under this Contract to:

1.16 Third Party Beneficiaries: This Contract shall not be construed as providing an enforceable right to any third party.

1.17 Injunction: Should MCHCP be prevented or enjoined from proceeding with this Contract before or after contract execution by reason of any litigation or other reason beyond the control of MCHCP, MRIC shall not be entitled to make or assess claim for damage by reason of said delay.

1.18 Statutes: Each and every provision of law and clause required by law to be inserted or applicable to the services provided in this Contract shall be deemed to be inserted herein and this Contract shall be read and enforced as though it were included herein. If through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then on the application of either party the Contract shall be amended to make such insertion or correction.

1.19 Governing Law: This Contract shall be governed by the laws of the State of Missouri and shall be deemed executed at Jefferson City, Cole County, Missouri. All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Missouri.

1.20 Jurisdiction: All legal proceedings arising hereunder shall be brought in the Circuit Court of Cole County in the State of Missouri.

1.21 Acceptance: No contract provision or use of items by MCHCP shall constitute acceptance or relieve MRIC of liability in respect to any expressed or implied warranties.

1.22 Survival of Terms: Termination or expiration of this Contract for any reason will not release either party from any liabilities or obligations set forth in this Contract that: (i) the parties expressly agree will survive any such termination or expiration; or (ii) remain to be performed or by their nature would be intended to apply following any such termination or expiration.

2 MRIC's Obligations

2.1 Confidentiality: MRIC will have access to private and/or confidential data maintained by MCHCP to the extent necessary to carry out its responsibilities under this Contract. No private or confidential data received, collected, maintained, transmitted, or used in the course of performance of this Contract shall be disseminated by MRIC except as authorized by MCHCP, either during the period of this Contract or thereafter. MRIC must agree to return any or all data furnished by MCHCP promptly at the request of MCHCP in whatever form it is maintained by MRIC. On the termination or expiration of this Contract, MRIC will not use any of such data or any material derived from the data for any purpose and, where so instructed by MCHCP, will destroy or render it unreadable.

2.2 Subcontracting: Subject to the terms and conditions of this section, this Contract shall be binding upon the parties and their respective successors and assigns. MRIC shall not subcontract with any person or entity to perform all or any part of the work to be performed under this Contract without the prior written consent of MCHCP. MRIC may not assign, in whole or in part, this Contract or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of MCHCP. MRIC agrees that any and all subcontracts entered into by MRIC for the purpose of meeting the requirements of this Contract are the responsibility of MRIC. MCHCP will hold MRIC responsible for assuring that subcontractors meet all the requirements of this Contract and all amendments thereto. MRIC must provide

complete information regarding each subcontractor used by MRIC to meet the requirements of this Contract.

2.3 Disclosure of Material Events: MRIC agrees to immediately disclose any of the following to MCHCP to the extent allowed by law for publicly traded companies:

- Any material adverse change to the financial status or condition of MRIC;
- Any merger, sale or other material change of ownership of MRIC;
- Any conflict of interest or potential conflict of interest between MRIC's engagement with MCHCP and the work, services or products that MRIC is providing or proposes to provide to any current or prospective customer; and

For the purposes of this paragraph, "material" means of a nature or of sufficient monetary value, or concerning a subject which a reasonable party in the position of and comparable to MCHCP would consider relevant and important in assessing the relationship and services contemplated by this Contract. It is further understood in that in fulfilling its ongoing responsibilities under this paragraph, MRIC is obligated to make its best faith efforts to disclose only those relevant matters which to the attention of or should have been known by MRIC's personnel involved in the engagement covered by this Contract and/or which come to the attention of or should have been known by any individual or office of MRIC designated by MRIC to monitor and report such matters.

Upon learning of any such actions, MCHCP reserves the right, at its sole discretion, to terminate this Contract.

2.4 Off-shore Services: All services under this Contract shall be performed within the United States. MRIC shall not perform, or permit subcontracting of services under this Contract, to any off-shore companies or locations outside of the United States. Any such actions shall result in MRIC being in breach of this Contract.

2.5 Change in Laws: MRIC agrees that any state and/or federal laws and applicable rules and regulations enacted during the terms of the contract which are deemed by MCHCP to necessitate a change in the contract shall be incorporated into the contract automatically. MCHCP will review any request for additional fees resulting from such changes and retains

final authority to make any changes. A consultant may be utilized to determine the cost impact.

2.6 Compliance with Laws: MRIC shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of this Contract, including but not limited to the provisions listed below.

2.6.1 Non-discrimination, Sexual Harassment and Workplace Safety: MRIC agrees to abide by all applicable federal, state and local laws, rules and regulations prohibiting discrimination in employment and controlling workplace safety. MRIC shall establish and maintain a written sexual harassment policy and shall inform its employees of the policy. MRIC shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor. Any violations of applicable laws, rules and regulations may result in termination of the Contract.

2.6.2 Americans with Disabilities Act (ADA) and Americans with Disabilities Act Amendments Act of 2008 (ADAAA): Pursuant to federal regulations promulgated under the authority of The Americans with Disabilities Act (ADA) and **Americans with Disabilities Act Amendments Act of 2008 (ADAAA)**, MRIC understands and agrees that it shall not cause any individual with a disability to be excluded from participation in this Contract or from activities provided for under this Contract on the basis of such disability. As a condition of accepting this Contract, MRIC agrees to comply with all regulations promulgated under ADA or ADAAA which are applicable to all benefits, services, programs, and activities provided by MCHCP through contracts with outside contractors.

2.6.3 Patient Protection and Affordable Care Act (PPACA): If applicable, MRIC shall comply with the Patient Protection and Affordable Care Act (PPACA) and all regulations promulgated under the authority of PPACA, including any future regulations promulgated under PPACA, which are applicable to all benefits, services, programs, and activities provided by MCHCP through contracts with outside contractors.

2.7 Indemnification: MRIC shall be responsible for and agrees to indemnify and hold harmless MCHCP from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against MCHCP as a result of MRIC's, MRIC's employees, or MRIC's associate or any associate's or subcontractor's failure to comply with section 2.7 of this contract.

2.8 Prohibition of Gratuities: Neither MRIC nor any person, firm or corporation employed by MRIC in the performance of this Contract shall offer or give any gift, money or anything of value or any promise for future reward or compensation to any employee of MCHCP at any time.

2.9 Solicitation of Members: MRIC shall not use the names, home addresses or any other information contained about members of MCHCP for the purpose of offering for sale any property or services which are not directly related to services negotiated in this RFP without the express written consent of MCHCP's Executive Director.

2.10 Insurance and Liability: MRIC must maintain sufficient liability insurance, including but not limited to general liability, professional liability, and errors and omissions coverage, to protect MCHCP against any reasonably foreseeable recoverable loss, damage or expense under this engagement. MRIC shall provide proof of such insurance coverage upon request from MCHCP. MCHCP shall not be required to purchase any insurance against loss or damage to any personal property to which this Contract relates. MRIC shall bear the risk of any loss or damage to any personal property in which MRIC holds title.

2.11 Hold Harmless: MRIC shall hold MCHCP harmless from an indemnify against any and all claims for injury to or death of any persons; for loss or damage to any property; and for infringement of any copyright or patent to the extent caused by MRIC or MRIC's employees or its subcontractors. MCHCP shall not be precluded from receiving the benefits of any insurance MRIC may carry which provides for indemnification for any loss or damage of property in MRIC's custody and control, where such loss or destruction is to MCHCP's property. MRIC shall do nothing to prejudice MCHCP's right to recover against third parties for any loss, destruction, or damage to MCHCP's property.

2.12 Assignment: MRIC shall not assign, convey, encumber, or otherwise transfer its rights or duties under this Contract without prior written consent of MCHCP. This Contract may terminate in the event of any assignment, conveyance, encumbrance or other transfer by MRIC made without prior written consent of MCHCP. Notwithstanding the foregoing, MRIC may, without the consent of MCHCP, assign its rights to payment to be received under this Contract, provided that MRIC provides written notice of such assignment to MCHCP together with a written acknowledgment from the assignee that any such payments are subject to all of the terms and conditions of this Contract. For the purposes of this Contract, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in MRIC provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company. Any assignment consented to by MCHCP shall be evidenced by a written assignment agreement executed by MRIC and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of this Contract and to assume the duties, obligations, and responsibilities being assigned. A change of name by MRIC, following which MRIC's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. MRIC shall give MCHCP written notice of any such change of name.

2.13 Patent, Copyright, and Trademark Indemnity: MRIC warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of this Contract which is covered

MRIC shall defend any suit or proceeding brought against MCHCP on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of this Contract. This is upon condition that MCHCP shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, MCHCP may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by MCHCP at MRIC's written request, it shall be at MRIC's expense, but the responsibility for such expense shall be only that within MRIC's written authorization. MRIC shall indemnify and hold MCHCP harmless from all damages, costs, and expenses, including attorney's fees that MRIC or MCHCP may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of this Contract. If any of the products provided by MRIC in such suit or proceeding are held to constitute infringement and the use is enjoined, MRIC shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal performance products or modify them so that they are no longer infringing. If MRIC is unable to do any of the preceding, MRIC agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of MCHCP, only those items of equipment or software which are held to be infringing, and to pay MCHCP: 1) any amounts paid by MCHCP towards the purchase of the product, less straight line depreciation; 2) any license fee paid by MCHCP for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee presenting the time remaining in any period of maintenance paid for. Furthermore, MRIC shall not knowingly employ, during the period of this Contract or any extensions to it, any employee of MCHCP who has participated in the making of this Contract until at least two years after his/her termination of employment with MCHCP.

MRIC is required to utilize MCHCP's vendor manager product that allows the contractor to self-report compliance and non-compliance with performance guarantees. Unless otherwise specified, all performance guarantees are to be measured quarterly, reconciled quarterly and any applicable penalties paid annually. MCHCP reserves the right to audit performance standards for compliance.

3.4.4 Business Associate agrees to cooperate with MCHCP during the course of Business Associate's investigation and risk assessment and to promptly and regularly update MCHCP in writing as supplemental information becomes available relating to any of the items addressed in the notice.

3.4.5 Business Associate further agrees to provide additional information upon and as reasonably requested by MCHCP; and to take any additional steps MCHCP reasonably deems necessary or advisable to comply with MCHCP's obligations as a covered entity under the HIPAA Rules.

3.4.6 Business Associate expressly acknowledges the presumption of breach with respect to any unauthorized acquisition, access, use, or disclosure of PHI, unless Business Associate is able to demonstrate otherwise in accordance with § 164.402(2), in which case, Business Associate agrees to fully document its assessment and all factors considered and provide MCHCP no later than ten (10) calendar days following Business Associate's discovery with its complete written risk assessment, conclusion reached, and all documentation supporting a conclusion that the unauthorized acquisition, access, use, or disclosure of PHI presents a low probability that PHI has been compromised.

3.4.7 The parties agree to work together in good faith, making every reasonable effort to reach consensus regarding whether a particular circumstance constitutes a breach or otherwise warrants notification, publication, or reporting to any affected individual, government body, or the public and also the appropriate means and content of any notification, publication, or report. Notwithstanding the foregoing, all final decisions involving questions of breach of PHI shall be made by MCHCP, including whether a breach has occurred, and any notification, publication, or public reporting required or reasonably advisable under the HIPAA Rules and MCHCP's Notice of Privacy Practices based on all objective and verifiable information provided to MCHCP by Business Associate under this Section 3.4

3.4.8 Business Associate agrees to bear all reasonable and actual costs associated with any notifications, publications, or public reports relating to breaches by Business Associate, any subcontractor of Business Associate, and any employee or workforce member of Business Associate and/or its subcontractors, as MCHCP deems necessary or advisable.

3.5 Confidential Communications. Business Associate agrees it will promptly implement and honor individual requests to receive PHI by alternative means or at an alternative location provided such

request has been directed to and approved by MCHCP in accordance with § 164.522(b) applicable to covered entities. If Business Associate receives a request for confidential communications directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual's request, to MCHCP so that MCHCP can assess, accommodate, and coordinate reasonable requests of this nature in accordance with the HIPAA Rules and prepare a timely response to the individual.

- 3.6 Individual Access to PHI. If an individual requests access to PHI under § 164.524, Business Associate agrees it will make all PHI about the individual which Business Associate created or received for or from MCHCP that is in Business Associate's custody or control available in a designated record set to MCHCP or, at MCHCP's direction, to the requesting individual or his or her authorized designee, in order to satisfy MCHCP's obligations as follows:
- 3.6.1 If Business Associate receives a request for individual PHI in a designated record set from MCHCP, Business Associate will provide the requested information to MCHCP within five (5) business days from the date of the request in a readily accessible and readable form and manner or as otherwise reasonably specified in the request.
- 3.6.2 If Business Associate receives a request for PHI in a designated record set directly from an individual current or former MCHCP member, Business Associate will require that the request be made in writing and will also promptly notify MCHCP that a request has been made verbally. If the individual submits a written request for PHI in a designated record set directly to Business Associate, no later than five (5) business days thereafter, Business Associate shall provide MCHCP with: (i) a copy of the individual's request to MCHCP for purposes of determining an appropriate response to the request; (ii) the designated record sets in Business Associate's custody or control that are subject to access by the requesting individual(s) requested in the form and format requested by the individual if it is readily producible in such form and format, or if not, in a readable hard copy form; and (iii) the titles of the persons or offices responsible for receiving and processing requests for access by individual(s). MCHCP will direct Business Associate in writing within five (5) business days following receipt of the information described in (i), (ii), and (iii) of this subsection 3.6.2 whether Business Associate should send the requested designated data set directly to the individual or whether MCHCP will forward the information received from Business Associate as part of a coordinated response or if for any reason MCHCP deems the response should be sent from MCHCP or another Business Associate acting on behalf of MCHCP. If Business Associate is directed by MCHCP to respond directly to the individual, Business Associate agrees to provide the designated record set requested in the form and format requested by the individual if it is readily producible in such form and format; or, if not, in a readable hard copy form or such other form and format as agreed to by Business Associate and the individual. Business Associate will provide MCHCP's Privacy Officer with a copy of all responses sent to individuals pursuant to § 164.524 and the directives set forth in this subsection 3.6.2 for MCHCP's compliance and documentation purposes.
- 3.7 Amendments of PHI. Business Associate agrees it will make any amendment(s) to PHI in a designated record set as directed or agreed to by MCHCP pursuant to § 164.526, and take other measures as necessary and reasonably requested by MCHCP to satisfy MCHCP's obligations under § 164.526.

3.7.1 If Business Associate receives a request directly from an individual to amend PHI created by Business Associate, received from MCHCP, or otherwise within the custody or control of Business Associate at the time of the request, Business Associate shall promptly refer the individual to MCHCP's Privacy Officer, and, if the request is in writing, shall forward the individual's request three (3) business days to MCHCP's Privacy Officer so that MCHCP can evaluate, coordinate and prepare a timely response to the individual's request.

3.7.2 MCHCP will direct Business Associate in writing as to any actions Business Associate is required to take with regard to amending records of individuals who exercise their right to amend PHI under the HIPAA Rules. Business Associate agrees to follow the direction of MCHCP regarding such amendments and to provide written confirmation of such action within seven (7) business days of receipt of MCHCP's written direction or sooner if such earlier action is required to enable MCHCP to comply with the deadlines established by the HIPAA Rules.

3.8 PHI Disclosure Accounting. Business Associate agrees to document, maintain, and make available to MCHCP within seven (7) calendar days of a request from MCHCP for all disclosures made by or under the control of Business Associate or its subcontractors that are subject to accounting, including all information required, under § 164.528 to satisfy MCHCP's obligations regarding accounting of disclosures of PHI.

3.8.1 If Business Associate receives a request for accounting directly from an individual, Business Associate agrees to refer the individual, and promptly forward the individual's request, to MCHCP so that MCHCP can evaluate, coordinate and prepare a timely response to the individual's request.

3.8.2 In addition to the provisions of 3.8.1, all PHI accounting requests received by Business Associate directly from the individual shall be acted upon by Business Associate as a request from MCHCP for purposes of Business Associate's obligations under this section. Unless directed by MCHCP to respond directly to the individual, Business Associate shall provide all accounting information subject to disclosure under § 164.528 to MCHCP within seven (7) calendar days of the individual's request for accounting.

3.9 Privacy of PHI. Business Associate agrees to fully comply with all provisions of Subpart E of 45 CFR Part 164 that apply to MCHCP to the extent Business Associate has agreed or assumed responsibilities under the Contract or this Agreement to carry out one or more of MCHCP's obligation(s) under 45 CFR Part 164 Subpart E.

3.10 Internal Practices, Books, and Records. Upon request of MCHCP or the Secretary, Business Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of MCHCP available to MCHCP and/or the Secretary in a time and manner designated by MCHCP or the Secretary for purposes of determining MCHCP's and/or Business Associate's compliance with the HIPAA Rules.

4 Permitted Uses and Disclosures of PHI by Business Associate.

4.1 Contractual Authorization. Business Associate may access, create, use, and disclose PHI as necessary to perform its duties and obligations required by the Contract, including but not limited to specific requirements set forth in the Scope of Work (as such term is defined in the Contract), as amended. Without limiting the foregoing general authorization, MCHCP specifically authorizes Business Associate to access, create, receive, use, and disclose all PHI which is required to provide the services specified in the Contract. The parties agree that no provision of the Contract permits Business Associate to use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if used or disclosed in like manner by MCHCP except that:

4.1.1 This Agreement permits Business Associate to use PHI received in its capacity as a business associate of MCHCP, if necessary: (A) for the proper management and administration of Business Associate; or (B) to carry out the legal responsibilities of Business Associate.

4.1.2 This Agreement permits Business Associate to combine PHI created or received on behalf of MCHCP as authorized in this Agreement with PHI lawfully created or received by Business Associate in its capacity as a business associate of other covered entities to permit data analysis relating to the health care operations of MCHCP and other PHI contributing covered entities in order to provide MCHCP with such comprehensive, aggregate summary reports as specifically required by, or specially requested under, the Contract.

4.2 Authorization by Law. Business Associate may use or disclose PHI as permitted or required by law.

4.3 Minimum Necessary. Notwithstanding any other provision in the Contract or this Agreement, with respect to any and all uses and disclosures permitted, Business Associate agrees to request, create, access, use, disclose, and transmit PHI involving MCHCP members subject to the following minimum necessary requirements:

4.3.1 When requesting or using PHI received from MCHCP, a member of MCHCP, or an authorized party or entity working on behalf of MCHCP, Business Associate shall make reasonable efforts to limit all requests and uses of PHI to the minimum necessary to accomplish the intended purpose of the request or use. Business Associate agrees its reasonable efforts will include identifying those persons or classes of persons, as appropriate, in Business Associate's workforce who need access to MCHCP member PHI to carry out their duties under the Contract. Business Associate further agrees to identify the minimally necessary amount of PHI needed by each such person or class and any conditions appropriate to restrict access in accordance with such assessment.

4.3.2 For any type of authorized disclosure of PHI that Business Associate makes on a routine basis to third parties, Business Associate shall implement procedures that limit the PHI disclosed to the amount minimally necessary to achieve the purpose of the disclosure. For all other authorized but non-routine disclosures, Business Associate shall develop and follow criteria for reviewing requests and limiting disclosures to the information minimally necessary to accomplish the purposes for which disclosure is sought.

4.3.3 Business Associate may rely, if such reliance is reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose if and when:

- a) Making disclosures to public officials as permitted under § 164.512, if the public official represents that the information requested is the minimum necessary for the stated purpose(s); or
- b) The information is requested by a professional who is a member of its workforce or is a business associate of MCHCP for the purpose of providing professional services to MCHCP, if the professional represents that the information requested is the minimum necessary for the stated purpose(s).

4.3.4 Minimum necessary does not apply to: uses or disclosures made to the individual; uses or disclosures made pursuant to a HIPAA-compliant authorization; disclosures made to the Secretary in accordance with the HIPAA Rules: disclosures specifically permitted or required under, and made in accordance with, the HIPAA Rules.

5 Obligations of MCHCP.

- 5.1 Notice of Privacy Practices. MCHCP shall notify Business Associate of any limitation(s) that may affect Business Associate's use or disclosure of PHI by providing Business Associate with MCHCP's Notice of Privacy Practices in accordance with § 164.520, the most recent copy of which is attached to this Agreement.
- 5.2 Individual Authorization Changes. MCHCP shall notify Business Associate in writing of any changes in, or revocation of, the authorization by an individual to use or disclose his or her PHI, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.3 Confidential Communications. MCHCP shall notify Business Associate in writing of individual requests approved by MCHCP in accordance with § 164.522 to receive communications of PHI from Business Associate by alternate means or at alternative locations, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.4 Individual Restrictions. MCHCP shall notify Business Associate in writing of any restriction to the use or disclosure of PHI that MCHCP has agreed and, if applicable, any subsequent revocation or termination of such restriction, in accordance with § 164.522, to the extent that such changes may affect Business Associate's use or disclosure of PHI.
- 5.5 Permissible Requests by MCHCP. MCHCP shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the HIPAA Rules if done by MCHCP.

6 Term and Termination, Expiration, or Cancellation.

- 6.1 Term. This Agreement is effective upon signature of both parties, and shall terminate upon the termination, expiration, or cancellation of the Contract, as amended, unless sooner terminated for cause under subsection 6.2 below.
- 6.2 Termination. Without limiting MCHCP's right to terminate the Contract in accordance with the terms therein, Business Associate also authorizes MCHCP to terminate this Agreement immediately by written notice and without penalty if MCHCP determines, in its sole discretion, that Business Associate has violated a material term of this Agreement and termination of this Agreement is in the best interests of MCHCP or its members. Without limiting the foregoing authorization, Business Associate agrees that MCHCP may, as an alternative or in addition to termination, require Business Associate to end the violation of the material term(s) and cure the breach of contract within the time and manner specified by MCHCP based on the circumstances presented. With respect to this subsection, MCHCP's remedies under this Agreement and the Contract are cumulative, and the exercise of any remedy shall not preclude the exercise of any other.
- 6.3 Obligations of Business Associate Upon Termination. Upon termination, expiration, or cancellation of this Agreement for any reason, Business Associate agrees to return to MCHCP or deliver to another MCHCP business associate at MCHCP's direction all PHI received from MCHCP, any current or former Business Associate or workforce member of MCHCP, or any current or former member of MCHCP, as well as all PHI created, compiled, stored or accessible to Business Associate or any subcontractor, agent, affiliate, or workforce member of Business Associate, relating to MCHCP as a result of services provided under the Contract. All such PHI shall be securely transmitted in accordance with MCHCP's written directive in electronic format accessible and decipherable by the MCHCP designated recipient. Following confirmation of receipt and usable access of the transmitted PHI by the MCHCP designated recipient, Business Associate shall destroy all MCHCP-related PHI and thereafter retain no copies in any form for any purpose whatsoever. Within seven (7) business days following full compliance with the requirements of this subsection, an authorized representative of Business Associate shall certify in writing addressed to MCHCP's Privacy and Security Officers that Business Associate has fully complied with this subsection and has no possession, control, or access, directly or indirectly, to MCHCP-related PHI from any source whatsoever.

Notwithstanding the foregoing, Business Associate may maintain MCHCP-PHI after the termination of this Agreement to the extent return or destruction of the PHI is not feasible, provided Business Associate: (i) refrains from any further use or disclosure of the PHI; (ii) continues to safeguard the PHI thereafter in accordance with the terms of this Agreement; (iii) does not attempt to de-identify the PHI without MCHCP's prior written consent; and (iv) within seven (7) days following full compliance of the requirements of this subsection, provides MCHCP written notice describing all PHI maintained by Business Associate and certification by an authorized representative of Business Associate of its agreement to fully comply with the provisions of this paragraph.

- 6.4 Survival. All obligations and representations of Business Associate under this Section 6 and subsection 7.2 shall survive termination, expiration, or cancellation of the Contract and this Agreement.

7 Miscellaneous.

- 7.1 Satisfactory Assurance. Business Associate expressly acknowledges and represents that execution of this Agreement is intended to, and does, constitute satisfactory assurance to MCHCP of Business Associate's full and complete compliance with its obligations under the HIPAA Rules. Business Associate further acknowledges that MCHCP is relying on this assurance in permitting Business Associate to create, receive, maintain, use, disclose, or transmit PHI as described herein.
- 7.2 Indemnification. Each party shall, to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the other party and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys' fees and expenses, including at trial and on appeal) arising out of the acts or omissions of such party or any subcontractor, consultant, or workforce member of such party to the extent such acts or omissions violate the terms of this Agreement or the HIPAA Rules as applied to the Contract.
- Notwithstanding the foregoing, if Business Associate maintains any MCHCP-related PHI following termination of the Contract and this Agreement pursuant to subsection 6.3, Business Associate shall be solely responsible for all PHI it maintains and, to the fullest extent permitted by law, Business Associate shall protect, defend, indemnify and hold harmless MCHCP and its current and former trustees, employees, and agents from and against any and all losses, costs, claims, penalties, fines, demands, liabilities, legal actions, judgments, and expenses of every kind (including reasonable attorneys' fees and expenses, including at trial and on appeal) arising out of the acts or omissions of Business Associate or any subcontractor, consultant, or workforce member of Business Associate regarding such PHI to the extent such acts or omissions violate the terms of the Act or the HIPAA Rules.
- 7.3 No Third Party Beneficiaries. There is no intent by either party to create or establish third party beneficiary status or rights or their equivalent in any person or entity, other than the parties hereto, that may be affected by the operation of this Agreement, and no person or entity, other than the parties, shall have the right to enforce any right, claim, or benefit created or established under this Agreement.
- 7.4 Amendment. The parties agree to work together in good faith to amend this Agreement from time to time as is necessary or advisable for compliance with the requirements of the HIPAA Rules. Notwithstanding the foregoing, this Agreement shall be deemed amended automatically to the extent any provisions of the Act or the HIPAA Rules not addressed herein become applicable to Business Associate during the term of this Agreement pursuant to and in accordance with any subsequent modification(s) or official and binding legal clarification(s), to the Act or the HIPAA Rules.
- 7.5 Interpretation. Any reference in this Agreement to a section in the HIPAA Rules means the section as in effect or as amended. Any ambiguity in this Agreement shall be interpreted to permit compliance with the HIPAA Rules.

THE UNDERSIGNED PERSONS REPRESENT AND WARRANT THAT WE ARE LEGALLY FREE TO ENTER THIS AGREEMENT, THAT OUR EXECUTION OF THIS AGREEMENT HAS BEEN DULY AUTHORIZED, AND THAT UPON BOTH OF OUR SIGNATURES BELOW THIS SHALL BE A BINDING AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS OF THIS BUSINESS ASSOCIATE AGREEMENT.
